<p>Volunteering. As a not-for-profit organisation solely run by Volunteers there are a range of tasks that we rely on our volunteers to complete. These range from managing the Gallery for a day, to contributing to the implementation of an Exhibition or other special event, to performing marketing or admin duties or Gallery maintenance. In light of this, please let us know if you would be able to donate a bit of time volunteering, as well as if you possess a special skill that may be helpful to us.</p>
